MINISTRY OF ENERGY OF THE REPUBLIC OF UZBEKISTAN

O'zbekiston Respublikasi Energetika vazirligi, 100047, Toshkent sh., Istiqbol ko'chasi, 21-uy
Tel.: +998 71 231-18-81, El. pochta: info@minenergy.uz, minenergy.uz

Dear Ladies and Gentlemen!

I have the honor to invite you to take part in the International Energy Week of Uzbekistan, which is planned to be held from 13 to 15 May 2025.

We are pleased to note the great success of the International Energy Week of Uzbekistan 2024, which brought together leading experts and representatives of the energy and oil and gas sectors.

Modern trends in the development of the industry require collective efforts and cooperation of all factors operating in the energy sector - both business representatives, government agencies and international organizations.

The desire to create a more sustainable and productive energy system for future generations is one of the most important challenges both globally and for the countries of the Central Asian region.

The theme of the events of the International Energy Week of Uzbekistan "Partnership for Sustainable Development" reflects many of these issues and contributes to their translation into practice.

Energy Week 2025 is a multifaceted event that includes a number of major events: the 27th International Exhibition and Conference "Oil and Gas of Uzbekistan - OGU 2025", the 18th International Exhibition "Energy, Energy Saving, Alternative Energy Sources - Power Uzbekistan 2025", a specialized section "Green Energy Saving Technologies - GETCA 2025", the 5th International Energy Conference, as well as G2B and B2B meetings.

Let me express my hope that the upcoming Energy Week, organized in cooperation with the international exhibition company Iteca Exhibitions, will once again serve as an effective platform for discussing a wide range of issues, presenting expert assessments and familiarizing yourself with the latest technological solutions and innovations. I am confident that your participation in the forum will emphasize the importance of the event and contribute to its effectiveness.

Sincerely,

Minister

J. Mirzamahmudov
