

Dear ladies and gentlemen,

On behalf of Uzkimyosanoat Joint Stock Company, and personally, I am delighted to welcome all participants and guests to **the 15th Anniversary International Exhibition of Plastics Industry – Plastex Uzbekistan 2025.**

Since 2017, Uzbekistan's chemical industry has made remarkable progress, achieving significant growth in production and exports. Its contribution to GDP and employment has steadily increased. Today, the sector serves a wide range of industries, including agriculture, furniture, mining, electronics and electrical engineering, oil and gas, construction, food production, and many others.

The **Plastex Uzbekistan** exhibition, as the flagship event of the industry, serves as an effective platform for showcasing the latest achievements in equipment and technology. It plays a vital role in building a strong foundation for the sustainable development of all chemical industry sectors, drawing on both international and domestic expertise.

I wish all participants and guests a productive exhibition and every success in reaching mutually beneficial agreements.

Temirov O.Sh.

Chairman of the Board
