

Dear ladies and gentlemen,

On behalf of **OSIYO RAMZI Association of Designers**, and on my own behalf, I would like to welcome participants and guests of **the 26th International Textile and Garment Industry Exhibition – TextileExpo Uzbekistan Spring 2026**.

Uzbekistan's textile, garment and knitwear industry has deep-rooted traditions in both manufacturing and variety of fabrics, and garment styles. In recent years, Uzbekistan has become one of the leading exporters across its full product range: from yarn to finished goods, Uzbek textiles have firmly established their niche in the global market.

As the leading hub of textile and garment manufacturing in Central Asia, Uzbekistan stands as a most fitting and deserving host for an exhibition of such prestige and distinction. We are pleased to welcome both long-standing participants and newcomers, and trust that taking part will help advance your businesses.

I wish all participants and guests of **the 26th International Textile and Garment Industry Exhibition – TextileExpo Uzbekistan Spring 2026** productive work, new business contacts and rewarding agreements.

**Board Chair
Kamilova H.H.**
