

Ladies and gentlemen!

On behalf of the Council of Farmers, Dehkan Farms, and Owners of Household Lands of Uzbekistan, and on my own behalf as well, allow me to welcome the participants and guests of the 20th Anniversary International Exhibition “Agriculture - AgroWorld Uzbekistan 2025”.

Farms, dekhkan farms, and household plots play an important role in the structure of agricultural production in Uzbekistan. The state provides all possible support in providing producers with agricultural machinery, fertilizers, and feed.

As the country's largest agricultural exhibition, AgroWorld Uzbekistan plays an important role in the development of the agricultural sector, attracting investment and technical improvement to the industry.

I am confident that the 2025 exhibition will once again confirm its reputation as the main exhibition event in the field of agriculture.

I wish all participants and guests of the exhibition success in their activities and in establishing new business connections.
