

Dear ladies and gentlemen,

On behalf of the New Tashkent City Construction Directorate under the Cabinet of Ministers of Uzbekistan let me express my gratitude to the participants and guests of the 26th UzBuild 2025 Uzbekistan International Construction Exhibition and the 6th ICCI 2025 International Conference for Construction Industry to be held on February 25-27, 2025, for their interest in these events and to the development of construction industry in Uzbekistan.

Large-scale construction activity is underway under the leadership of the Head of our state all over the country to erect modern residential and administrative buildings, social infrastructure facilities and other important projects. These projects widely use advanced construction technologies and innovative materials.

Within the framework of UzBuild 2025 the latest achievements and innovations of the construction industry will be presented. Every year the exhibition presents building materials, technologies and special equipment of domestic and foreign manufacturers.

Also, the ICCI Conference is a unique business platform created in Uzbekistan that covers a wide range of issues in the field of construction, creating a favourable environment for exchanging experience and discussing the current trends. It has been a tradition for representatives of government agencies, specialized associations and experts of the construction market to take part in this Conference held within the framework of the UzBuild international exhibition.

We are confident that the presented exhibits will be interesting for the experts and will serve for further development of the construction industry of our country.

I wish you successful work, fruitful communication and new partnerships!

**D. Odilov,
Director**
