Dear Ladies and Gentlemen,

On behalf of the Committee on Entrepreneurship, competition development and industrial affairs of the Legislative Chamber of the Oliy Majlis of the Republic of Uzbekistan, I am pleased to welcome participants and guests to the events organised by Iteca Exhibitions in partnership with ICA Eurasia Group and Congresses of Central Asia (CCA).

The dynamic development of Uzbekistan’s economy is underpinned by a robust legislative framework that incorporates the best international practices. As a specialised parliamentary body, our Committee is actively involved in drafting regulations aimed at supporting the sustainable growth of key sectors of the economy.

In this context, the international exhibitions and conferences serve as an effective platform for professional dialogue. They enable foreign investors to assess potential of the Uzbek market and to gain a clear understanding of the guarantees, incentives and preferences provided under the national legislation.

The events organised by Iteca Exhibitions consistently attract strong interest from the business community, offering access to innovation and opening new opportunities for cooperation.

I wish all participants and guests productive work, successful negotiations, and promising partnerships.

Chairman of the Committee

B.M. Bekmurodov
