UZBEKISTAN

22nd International Exhibition  
Production Technologies.  
Woodworking. Furniture and components.

The exhibition serves as a key platform for the woodworking and furniture industry, showcasing leading global brands and the latest trends. It offers a unique opportunity to gain first-hand market insights and connect directly with industry professionals.

3 • 4 • 5  
MARCH 2026  
UZEXPOCENTRE • TASHKENT

# WOODTECH & MEBELEXPO UZBEKISTAN in brief:

---

- The major international trade exhibition for the furniture and woodworking industries in Uzbekistan.
- The most effective platform of business communication for manufacturers and traders of furniture, well-known suppliers of technologies, components and materials.
- Uzbekistan with a population of over 37 million people is the largest consumer market of the region
- The country both develops its local furniture manufacturing and facilitates imports from overseas.

Since 2025, rebranded to better reflect its current content and essence, the exhibition has been held as part of the Uzbekistan International Construction and Interior Week.
