

Dear Ladies and Gentlemen,

On behalf of **Uzbekneftegaz** Joint Stock Company, and in my personal capacity, I am honoured to invite you to participate in the **Uzbekistan Energy Week - UEW 2026**, which will take place in Tashkent **from 12 to 14 May, 2026**.

Uzbekistan is undertaking large-scale initiatives to increase the share of renewable energy sources in its national energy mix. At the same time, hydrocarbon resources remain essential in maintaining industrial stability and meeting the everyday needs of the population.

In the current global context, the adoption of innovative approaches to hydrocarbon exploration and production, focusing on environmental responsibility and reducing the carbon footprint, has become particularly significant. In response, Uzbekistan is implementing a comprehensive programme to modernise and diversify its energy, oil, and gas industries.

The International Energy Week – UEW 2026 will be held under the slogan:
“New Energy: Innovations. Sustainability. Regional Cooperation.”

The Programme of the event includes:

- **The 28th International Exhibition and Conference Oil and Gas Uzbekistan – OGU 2026**
- **The 19th International Exhibition Energy, Energy Saving, Alternative Energy Sources – Power Uzbekistan 2026**
- **The Specialised Section Green Energy Saving Technologies – GETCA 2026**
- **The 6th International Energy Conference**

Bringing together large-scale international exhibitions with a rich programme of research and practical conferences, with participation of many leading global experts, the event will provide a powerful platform for discussing current industry challenges and identifying promising solutions.

Organised in partnership with the international exhibition company **Iteca Exhibitions**, UEW 2026 is set to become a key platform for strengthening business ties, establishing new partnerships, and promoting advanced solutions in the energy sector.

We look forward to welcoming you and your company's representatives to the **International Energy Week – UEW 2026**, an event that will undoubtedly make a valuable contribution to the development of the energy sector and advancement of international cooperation.

With best regards,

Board Chairman

B. Sidikov,
