The Largest Construction Exhibition of Uzbekistan

Building your route to success!

Founded in: 2000

Status: International exhibition approved by the Global Association of the Exhibition Industry (UFI)

Ranked No. 1 among construction exhibitions in Central Asia by scale, number of exhibitors and visitor attendance

The exhibition showcases every stage of the construction process – from initial concept and design to project completion – highlighting current industry trends, evolving requirements, and the latest construction technologies, equipment and materials. It also provides a professional platform for a productive dialogue among industry stakeholders at all levels.

Main exhibition sectors:

- Construction materials
- Facade and roofing materials
- Finishing materials
- Interior and design
- Architectural and decorative lighting.
Electrical engineering
- Smart Home technologies
- Windows, doors, flooring
- Tools and hardware
- Equipment for processing metal, glass and stone
- Elevators and escalators
- Residential construction
- Real estate
- Landscape design and urban improvement
- Specialised section on construction technologies, equipment and road-building machinery — BuildTech 2026
